Series 4087

GOVERNOR (1977-1985 : MATHESON) [446]

HOTLINE RECORDS, 1976-1984.

3 cu. ft. and 9 reels of microfilm

DESCRIPTION: This series contains detailed telephone messages from constituents taken down by administrative aides in the Governor's office, including Harry Allen, Emilie Charles, and Sherry Bassett. The Governor's Hotline was a toll-free number that constituents could use to voice their comments or complaints to staff members in the Governor's office. Staff members would provide a response themselves or direct the caller to the appropriate state or local agency. The Hotline system was "established to implement Governor Matheson's commitment to an open and responsive State Government." (Governor's Hotline Proposal, see box 3, folder 33 of this series.) Topics addressed by constituents include utility rates, social services (such as food stamps and housing assistance), state vehicles purported to be speeding or parked at restaurants, and taxes.

ARRANGEMENT: This series is arranged alphabetically by document type, thereunder chronologically or (if message files) alphabetically by caller's surname followed by topical categories (e.g. "E" followed by "Energy").

RELATED RECORDS: Researchers may wish to consult Series 1601 , CONSTITUENT CORRESPONDENCE, for additional materials relating to concerns of constituents.

ACCESS RESTRICTIONS: These records are private according to the Government Records Access and Management Act. Access may be permitted under certain conditions. Contact a Reference Archivist for more information.

PROCESSING NOTE: This series will be microfilmed and the hard copy will be kept because of the intrinsic value of the papers. It was processed by Kira Robertson in October

2001.
